

## MARCH 2018

Hi all,

Welcome to the Shot & Puma Darts NZDC Newsletter. We hope you have had a good start to your darts year.

Our year has kicked off to another busy start our Sales and Marketing team were at ISPO Trade Show in Munich in January launching our new range Ronin and new Value Range with fantastic results, and we attended the Phoenix Taiwan Soft Tip Open in Taipei last week which was a total blast! Shot Darts also sponsored the first steel tip open at that event which was a success.

We had Raymond Smith over from Oz for a visit recently, Ray and his wife Bel visited local clubs and we spent a great evening at Manukau Darts with an open training session which was attended by two of our 2018 NZ Young Guns Latham and Taylor-Marsh. Ray contributes a lot to Darts and it was great for us to see our juniors getting some coaching. You can see Ray's tips videos on our Shot Darts You Tube Channels and Facebook Page.

Our 2018 Young Guns have been confirmed, you can follow the NZ team and the rest of the world teams on their Facebook page. It's a great way to keep up to date with their achievements and encourage them along on their darts journey.

We look forward to seeing you all at the Juniors and Youth in Whakatane and the NZ Nationals again this year.

Again, we are thinking of running a factory tour for those who are interested. We will post on the NZDC Facebook page closer to the time. Until then, good darts everyone from the team at Puma Dart Products.

Sign up now for a Darts Warehouse trade accounts. You and your club will receive 15% off all orders over \$250 and it includes GST and free shipping! Get on board here and stock up your Club in time for the season <http://www.dartswarehouse.com/about/trade-accounts>.
